

Waterway funding now available

Waterway Protection and Restoration funding for Fitzroy River and Darlot Creek is now available.

Glenelg Hopkins CMA has funding available for landholders to undertake waterway protection and restoration activities on the Fitzroy River and Darlot Creek in the Budj Bim cultural landscape.

Activities may include:

- Waterway fencing
- Woody weed management
- Off-stream stock water access
- Revegetation works

To register your interest, contact Tania Parker at Glenelg Hopkins CMA on 03 5571 2526 or t.parker@ghcma.vic.gov.au
